MENDOZA, ALEJANDRO	BUSLIK, MARC	29-AUG-2015 05:34	Y	N	SUSPENSION 5 Day(s)	Without the complimentary and disciplinary histories, it is impossible for me to determine whether the recommended penalty is appropriate. But, assuming unremarkable histories, a 10-day suspension is excessive, in light of the fact that the weapon was not "lost", but misplaced within the officer's home during his illness which required hospital treatment.

- C. While sworn members are permitted to carry firearms during nonduty hours, they are

- D. A sworn member will not lend his firearm to any other person nor will a sworn member possess or carry a firearm registered to another person except as authorized by the Deputy Chief, Education and Training Division. - G. Department members will possess a valid Firearm Owner's Identification Card (FOID).

**NOTE:** Members will provide proof of a valid FOID card during the annual prescribed weapon qualification.

### III. GENERAL INFORMATION

- A. The prescribed firearm for all sworn members hired on or before 01 December 1991 is a Department approved revolver or semiautomatic pistol. Department members hired on or before 01 December 1991 electing to carry an approved semiautomatic pistol as their prescribed firearm must first successfully complete a firearm transition process.
- B. The prescribed firearm for all sworn members hired after 01 December 1991 is a Department approved semiautomatic pistol.
- C. Department members may transition to a Department approved striker-fired semiautomatic pistol. A transition to a revolver as a prescribed firearm will not be permitted.
- D. Department members will not be required to transition to a new firing system in order to comply with this directive.
- E. Authorized Department members can access current approved Firearms Training and Certification of all members by logging onto the CLEAR system.

### IV. AUTHORIZATIONS AND RESTRICTIONS FOR WEAPONS AND EQUIPMENT

The following provisions apply only to weapons intended to be used in the performance of police-related duties:

- A. Uniformed sworn members will:

  2. for exposed firearms, wear a Department-approved holster attached only to the trouser or equipment belt.
  3. not carry more than two exposed firearms.
- B. When in citizen's dress, members will carry their firearms and extra ammunition in Department-approved holsters and ammunition carriers.
- C. The appropriate bureau chief or exempt member of the Office of the Superintendent may authorize the use of additional weapons / ammunition by specialized units within the Department. This authorization will be in the form of a To-From-Subject report. Copies of the authorization will be maintained in each bureau with one copy forwarded to the Education and Training Division.

**NOTE:** The To-From-Subject report will provide justification for the use of the additional weapons/ammunition and a recommended certification procedure to be administered by the Education and Training Division.

#### **V. FIREARM TRANSITION PROCESS**

- A. Department members who elect to transition from their prescribed revolver to a striker-fired semiautomatic firearm will be required to successfully complete a firearm transition process as determined by the Deputy Chief, Education and Training Division.

**NOTE:** Department members who elect to transition from their prescribed revolver to a semiautomatic firearm as their prescribed weapon will not be allowed to revert to the revolver as their prescribed weapon once they complete the transition process. However, Department members will be approved to utilize their revolver as an alternate prescribed weapon or auxiliary weapon upon completion of existing training.

- B. Department members who elect to transition from their prescribed CFS or DAO semiautomatic pistol to a striker-fired semiautomatic firearm will be required to successfully complete a firearm transition process as determined by the Deputy Chief, Education and Training Division.
- C. Department members who elect to carry a striker-fire semiautomatic pistol as an auxiliary or alternate weapon but do not elect to transition from their prescribed weapon must comply with all the requirements of the transition process and attend the appropriate training.

#### **VI. REPLACEMENT, TRANSFER, AND REGISTRATION OF FIREARMS; REPORTING OF LOST OR STOLEN FIREARMS/WEAPONS**

A. Legislation

1. Chapter 430, Article 65 of the Illinois Compiled Statutes, known as the Firearm Owners Identification Card Act, states that no person may acquire or possess any firearm or firearm ammunition without having in his or her possession a current Firearm Owner's Identification Card (FOID).
2. Provisions of this article do not apply to law enforcement officials while engaged in their official duties.
3. However, based upon the language of the statute and case law, a law enforcement officer violates the Firearm Owner's Identification Card requirements if he or she is in possession of a firearm without a Firearm Owner's Identification Card while performing a task not related to his or her duties.

**NOTE:** For example, a law enforcement official who is shopping for personal groceries, regardless of duty status, is not engaged in the operation of his or her official duties, and therefore would violate the Firearm Owner's Identification Card requirements of Section 65/2 of The Firearms Owner's Identification Card Act.

- B. The Gun Control Act of 1968 (GCA), as amended by the Omnibus Consolidated Appropriations Act of 1997, makes it unlawful for any person convicted of a misdemeanor crime of domestic violence to ship, transport, possess, or receive firearms or ammunition. The GCA further prohibits persons from selling or otherwise disposing of a firearm or ammunition to any person known to have been convicted of a misdemeanor crime of domestic violence, or to anyone who they have reasonable cause to believe has been convicted of a misdemeanor crime of domestic violence. This prohibition does apply to all law enforcement officers.

C. Prescribed Firearms/Temporary Replacement

1. Temporary replacement of a prescribed firearm may be obtained if:
  - a. the sworn member's prescribed firearm is lost, stolen, unserviceable, or has failed to pass inspection. With the approval of the unit commander, station supervisor or designated unit supervisor, or the firearms range officer, the affected member may submit a request for a temporary replacement firearm and ammunition by submitting a To-From-Subject report approved by his or her unit commanding officer and all related documentation (such as case reports, gunsmith repair receipts, purchase orders, etc.) to the Deputy Chief, Education and Training Division.
  - b. the sworn member's prescribed firearm is to be examined by the Forensic Services Section. The member may request a temporary replacement of a prescribed firearm, if necessary, by:
    - (1) generating a To-From-Subject report requesting the temporary replacement and obtaining the station supervisor's or designated unit supervisor's written approval.

copies of the Tactical Response Report (CPD-11.377) and the Property Inventory Report (CPD-34.523) listing the member's prescribed firearm, to the Deputy Chief, Education and Training Division.

2. A sworn member who has been issued a temporary replacement firearm will be responsible for the proper care, maintenance, and return of the firearm to the Education and Training Division. If a member must retain the replacement firearm for more than thirty days, the member will appear in person at the Education and Training Division with the loaned firearm and submit a To-From-Subject report with the station supervisor's or designated unit supervisor's approval explaining the need for an extension.
3. The Firearm Loan Receipt (CPD-63.344) will be prepared when a replacement firearm is issued.

D. Replacement Ammunition

1. Each district is supplied 200 of the following Department-approved duty ammunition cartridges:
  - a. .38 Special +P,
  - b. 9mm,
  - c. .40 caliber S&W,
  - d. .45 caliber ACP.
  - e. 5.56mm

**NOTE:** Each district will be supplied with 50 rounds of OO buck shotgun ammunition.

2. The station supervisor is responsible for the security and issuance of this ammunition. Additional cartridges will be requested from the Firearms Training Unit, Education and Training Division.
3. Any member, regardless of assignment, may obtain replacement ammunition for Department-issued cartridges that are lost, stolen, damaged, defective, or expended in the line of duty.
4. Whenever the replacement of ammunition is necessary, the requesting member will submit a copy of a Tactical Response Report and/or other related documentation to the station supervisor from the district of occurrence.
5. The station supervisor will note the number and type of ammunition issued, sign his or her name, and enter his or her rank on the reverse side of the report(s). The report(s) will be forwarded to the issuing district commander.

6. Members will follow established material requisition procedures and submit copies of the Tactical Response Report and/or related documentation when requesting replacement of expended, damaged, lost, stolen, or defective Department ammunition for the district supply.

E. Purchase of Firearms from a Dealer

1. A sworn member who elects to purchase a duty-related revolver, semiautomatic firearm, or high-capacity magazine and requests a waiver of the required waiting period will complete one copy of the Certifying Statement - Firearms form (CPD-11.702) and present it to the firearms dealer at the time of purchase.

**NOTE:** Firearms dealers are not required to accept the Certifying Statement- Firearms and may require a sworn member to abide by the waiting period.

2. The Certifying Statement - Firearms form will be retained by the firearm dealer as verification of the exempt status of the sworn member.

F. Sale or Transfer of Firearms Between Sworn Members
